Additional application requirements and information

At the interview you may need to bring in additional documentation:

- If you have previously studied a vocational course (ie Retail, Hospitality, Entertainment) and have selected to study this course in Year 12, you need to bring to interview your Log Book or other evidence showing the Units of Competency and Work Placement hours you have completed
- Original copies of reports and transcripts.

All courses have particular requirements, some have additional costs while others require an audition or portfolio to help determine if the course is suitable to your needs.

Contemporary Visual Arts

Please bring a portfolio or samples of your work to the interview, to support your application for this course.

HSC Dance

You will be assessed on dance technique and performance quality in your first lesson. You will then be advised as to whether we can then determine whether the course is suitable for you.

Design Fundamentals

Students must enrol in Preliminary Design and Technology if they wish to receive the full Design Fundamental Certificate III.

Please bring a portfolio or samples of your work to the interview, to support your application for this course.

Entertainment

The course has a strong practical orientation and requires students to be involved in technical rehearsals outside of normal class time.

Your suitability for this course will be assessed in your first lesson.

Music Industry

If you apply for entry into this course, you must attend an audition and complete the following:

1. Perform two contrasting pieces of music. The pieces you choose should demonstrate your knowledge of different styles of music.
2. Answer a series of questions related to your previous music experience and your commitment to completing this course.

You can bring to the interview other resources that may support your performance or application.

Musical Theatre

The course has a strong practical orientation and requires students to develop skills in singing, acting and dancing. Students will be involved in performances and rehearsals outside of normal class time.

Your suitability for this course will be assessed in your first lesson.

Outdoor Recreation

Students must be able to swim at least 50m freestyle in an ocean environment. There is also a cost associated with a camp and activities.

You will be assessed during interview and advised as to whether the course is suitable to your needs.
