

THE NEW CREATIVES – URBAN CODES

PHOTOGRAPHY CHALLENGE – YOUR POSTCODE

What is it? As a part of our Vivid Ideas event for 2019, we're holding a photographic challenge which is open to all. We want images that represent all the different postcodes of Sydney, from a quick snap on your phone to a sophisticated image, and everything in between.

How do I get involved? How do the codes we live in shape the codes we live by?

Each week we will issue a new theme to photograph. Our top picks will be posted to the Bradfield Instagram, Facebook page and website and eventually all of these photos will come together to be exhibited at our the Urban Codes exhibition for Vivid on 6 June 2019.

Please email your high resolution image to: ask.bradfield@tafensw.edu.au

Include the following:

- your name
- your postcode
- optional – your school
- optional - your social media account name (if you want it included in our social media posts).

Additionally, if you post it to your social media accounts, use the hashtags *#bscPhotoChallenge #bscUrbanCodes*

So far:

CHALLENGE ONE: The front door of your home.
