Student Details – Management of Risk of Harm to students & staff

K. Student's history relevant to risk assessment

History of Violent Behaviour

TAFE NSW is committed to ensuring a safe and healthy working and learning environment for staff, students and visitors at all TAFE NSW colleges, campuses and all other workplaces across the organisation, in accordance with its legislative obligations. The Violent Behaviour, Identification of History and Management Policy requires that where a student has a history of violent behaviour, any risk posed should be assessed and managed as far as practicable to eliminate or minimise risks.

Student Responsibilities:

If you have a history of violent behaviour, it is a condition of your enrolment to advise a TAFE NSW staff member, upon enrolment, prior to your first class or participation in training.

What is Violence and Violent Behaviour

Violence is not restricted to physical acts. It includes any behaviour that seriously interferes with the physical or psychological welfare of a person. This includes the threat of violence, aggressive or abusive speech or behaviour, stalking, bullying and verbal attacks.

It may include, but is not limited to:

- any behaviour that seriously interferes with the physical or psychological health, safety and wellbeing of staff, students and/or others who may be at a TAFE NSW site;
- sexual abuse or sexual behaviour that could cause physical or psychological harm;
- serious and credible threats to commit violence;
- aggressive behaviour which is non-contact in nature;
- physical damage to property or the environment (where such conduct may cause those present to fear harm);
- incidents that may lead to a reasonable conclusion that a student's behaviour impacts on the safety of others;
- physical attacks (for example, punching, hitting, kicking, biting, hair pulling, scratching, spitting);
- physical aggression or violence towards animals (for example animals kept on site for curriculum purposes);
- persistent verbal bullying (including social media and online);
- repeated harassment including use of racist, sexist and homophobic language;
- written abuse sufficient to cause psychological injury, text message bullying, posting on internet sites or in email, making inappropriate videos or photographs and/or sharing or posting them on websites/online platforms

Persons who are registered on the Child Protection register are considered a current risk, and should advise TAFE NSW staff.

To lessen the impact on your education, it is recommended that you disclose any information, as early as possible, which relates to a history of violent behaviour and gives rise to a current risk.
